# Flex-Lease

(Rent-To-Own)

Why rent self-storage when you can rent-to-own. No credit is needed and this is your most flexible path to ownership. There are options for early buyout, cancellation or upgrade in addition to ownership.

Your credit will not be impacted (better still, you don't even need credit – it's not required for FlexLease!) and approval is instant, as well as guaranteed, if you meet the basic criteria. FlexLease is not a loan and our program is not a credit card. RTO will purchase the unit from Better Built Barns and then lease the product to you. Additionally, you have the option of ownership at the end of the lease or an early buyout.
